For Immediate Release

Moxlow Signs with Mitchum Motorsports for 2014 ST Season

Grosse Ile, Michigan (17 January 2014)— Dane Moxlow and Lee Carpentier will team up to drive the #11 Trenton Forging/Mitchum Motorsports BMW 128i ST car in the IMSA Continental Tire Sports Car Challenge (CTSCC) series for the 2014 season. While both drivers are new to the series, they are far from strangers to racing. Moxlow joins the CTSCC from the Pirelli World Challenge GTS class where he saw a season high finish of 7th at the Detroit Grand Prix and from the Trans Am TA3 class where he broke a TA3 track record and earned his first professional podium finish. Carpentier's racing experience comes from a variety of racing series, including the Lamborghini Super Trofeo Series, which he took to the podium in 75% of the races in 2013.

"This opportunity is something I've been working toward for a long time. I'm excited to be a part of such a solid team and I'm really looking forward to seeing what the season holds," said Moxlow. "I think this partnership with Mitchum and my co-driver Carpentier has the potential for a very successful season where I can solidify my spot in the competitive ranks of professional motorsport."

The first green flag of the season for Moxlow and Carpentier will drop at 1:45 p.m. on January 24th at the Daytona International Speedway. The delayed broadcast will air on Fox Sports 2 at 6 p.m. that evening.

Follow Dane on Twitter @DMoxlow or on Facebook at "Dane Moxlow Racing" for real-time and trackside updates, and on www.danemoxlow.com to stay up-to-date on all of the excitement.
